

## Legislative Update

SCGMA has been working with our lobbyists at the [Politico Group](#) to ensure that we are fighting for those legislative changes that will positively impact our contractors' businesses.

The bill introduction period for the 2021 Legislative Session concluded on February 19th. Since that time, we have sifted through almost 2,500 legislative proposals introduced this year to ensure we are actively involved with all that may affect SCGMA member contractors.

## SCGMA Case Study

### Emerson College Los Angeles Campus

This quarter's case study highlights **Walters & Wolf's** achievement in completing the Emerson College Los Angeles Campus. This project was done in collaboration with **Morphosis** and **JA Weir Associates** to install a complex façade, integrating operable sunshades to enhance energy performance and occupant comfort.

If you would like to feature one of your projects in a SCGMA case study, please respond to this email.

### Gray PIB Migration

Over time, litigation has alleged significant defects in insulated glass units using gray polyisobutylene. Gray polyisobutylene, also known as PIB, is one of the common risk elements we believe should be addressed within the commercial glazing business.

Read on to discover the causes of gray PIB migrations and how to prevent them.

## Scaffold Safety

Have you ever had to use existing scaffolding at a job site to reach your work location, looked at it, and wondered if it was safe to use or not? How can you tell if a scaffold has been properly erected and is safe to climb?

Learn how to prioritize safety in the workplace as you're "sizing up" that scaffolding yourself.

## Compliance Department

Did you know that we have a compliance department that helps monitor public works and project labor agreement projects to ensure that prevailing wages and classifications are understood and complied with in our area?

You can reach out to the compliance department if:

- You have any information regarding possible cheating on public works or project labor agreement projects
- Would like compliance to research certain public works or project labor agreement jobs that have been awarded to nonunion contractors
- Need help with related compliance forms (i.e. DAS 140, DAS 142)
- Have questions about apprentice dispatching

Below is the list of Compliance staff and their contact information:

- [Larissa Oseguera](#) - Labor Compliance Officer
- [Joyceline Orizaba](#) - Labor Compliance Officer
- [Kimberly Cedillo](#) - Dispatcher
- [Monica Sevajian](#) - Compliance Supervisor/Labor Compliance Officer

If you have other questions about any of the above, please reply to this email.
