

Legislative Update

SCGMA Legislative Report - July 2021

SCGMA has been working with our lobbyists at the Politico Group to ensure that we are fighting for those legislative changes that will positively impact our contractors' businesses.

The California State Legislature has crossed the midway point of the 2021 Legislative Session. Legislators had until June 4th to move sponsored legislation out of their house of origin. Bills that did not clear that hurdle must be shelved for the year.

It is noteworthy to mention that SCGMA's position on certain legislative issues have changed.

- **AB 712 (Calderon) County of Los Angeles Change Orders** - Position: *Active* -> *Support*
- **AB 416 (Kalra) California Deforestation-Free Procurement Act: Public Works Projects: Wood** - Position: *Oppose* -> *Active*
- **SB 727 (Levy) Labor-Related Liabilities: Direct Contractor** - Position: *Oppose* -> *Active*
- **SB 607 (Min) Professions and Vocations** - Position: *Pending* -> *Support*

To view the updated status of legislative issues that SCGMA has been involved with this year, click the link below or visit our website.

SCGMA Case Study

Santa Barbara City College, West Campus Center

This quarter's case study highlights **Santa Barbara Glass Company's** achievement in completing the Santa Barbara City College, West Campus Center. This project was done in collaboration with **Kruger Bensen Ziemer Architects Inc.** and **Lundgren Management** to furnish and install the glazing systems, along with a series of unique curved resin panels suspended from the structure to provide a shading system.

If you would like to feature one of your projects in a SCGMA case study, please respond to this email.

Technical Bulletin

Field Water Testing

One of the most crucial performance issues for glazing contractors is water infiltration. Water infiltration from the testing of glazing systems is also one of the most common points of failure and the subject of this technical bulletin.

Read on to learn the fundamentals of field water testing.
