

## Support a Dollar-for-Dollar Tax Credit to Offset the Cost of COVID Paid Leave

SCGMA continues to pursue a tax credit to offset the costs of the reinstated COVID-19 Supplemental Paid Sick Leave, and because this issue is so important, our legislative team developed an additional tool to get our contractors' voices heard. Contractors now have a new and improved way to engage on the COVID paid leave tax credit issue and other top issues facing the union construction industry in the future.

## NACC Grant Available to First Year Applicants

LMCI funding is available to all IUPAT signatory contractors that are in their first year of NACC certification. *This grant is for the first year of NACC for new IUPAT NACC applicants only.* The funds would be paid directly to AMS from the LMCI on your behalf.

*To request this grant (before paying AMS for the assessment) **please respond to this email** requesting that your first year of NACC be paid for by the LMCI. Please include:*

- Your exact company name,
- The main address for your company,
- The name(s) of the person(s) who are handling the NACC along with any names of officers/owners you want CCed in the correspondence,
- Email addresses for all listed above.

All grants are subject to LMCI approval. Upon approval, you will receive a letter via USPS and email from the LMCI. Please note that the grant only is applicable to those that have not yet paid their assessment fee to AMS.

## Glazing Apprenticeship Curriculum Survey

As the industry continues to evolve, we want to help ensure that our Glazing Apprenticeship Program curriculum is still providing the appropriate training. To help us determine how we might improve our training curriculum, we've created a 3-minute Glazing Apprenticeship Curriculum Survey.

As a reminder, here are the current courses offered at our four (4) year Glazing Apprenticeship Program: Intro to Glazing 1, Intro to Glazing 2, Basic Blueprint 1, Basic Blueprint 2, Storefront 1, Storefront 2, Advanced Blueprint 1, Advanced Blueprint 2, Curtainwall 1, Curtainwall 2, Welding 1, Welding 2, Welding 3, and Welding 4.
