

AUTODESK® REVIT® LIVE DEMO

THURSDAY, JUNE 12
11:00 AM - 12:00 PM PST
VIA ZOOM

Join Autodesk Certified Professional Michael Yeagar for a live Revit demo that introduces the fundamentals of Building Information Modeling (BIM) through Revit's powerful, database-driven design tools. With over 26 years of experience, Michael will demonstrate how Revit differs from AutoCAD—offering real-time updates across plans, sections, 3D views, and schedules to boost accuracy and efficiency.
