

BuzzBID

Live Demo

Join us for a live demo of BuzzBID™, presented by CEO and electronic takeoff pioneer Leonard Buzz. Named Construction Tech Review's Top Takeoff Tool of 2025, BuzzBID uses advanced Computer Vision to deliver takeoffs up to 500% faster.

Buzzbid Features:

- ClickONCE™ Automation
- Multi-Scale, Multi-Window Takeoff
- Advanced Plan Loading
- Dynamic Pricing Engine
- Smart Interface Design
- Duration-Based General Conditions and Work Breakdown Structures
- Extreme Search Tools — Text find, audit logs, filters, and field-specific plan search

THURSDAY, JULY 10

11 AM - 12 PM PST
