

GLAZING BOOT CAMP & WATER TESTING DEMO

THURSDAY, OCTOBER 16

7 AM – 12 PM PST

**7020 SLAUSON AVE
COMMERCE, CA 90040**

Join us for our 2025 Glazing Boot Camp at the Apprenticeship Training Facility in Commerce. This session will provide a hands-on learning experience as participants work alongside our apprentices to build storefront and curtainwall mockups, while exploring key installation techniques in glazing systems.

A highlight of this boot camp will be a live water testing demonstration, giving attendees the opportunity to see firsthand how systems are evaluated for performance and durability.

Registration is limited to 10 participants, and RSVPs will be accepted on a first-come, first-served basis.

Lunch will be provided. Full-length pants and close-toed shoes are required. Please bring hardhats and safety glasses if you have them. If not, we will have loaners on site. We suggest that you wear comfortable clothing as attendees will participate in physical work.

To RSVP, please email Rowanne Khafagy at rkhafagy@scgma.com
