

3 PILLARS OF AI IMPLEMENTATION

Tuesday, September 23
11 AM – 12:30 PM
Via Zoom

Join us for an engaging presentation with Stjepan Mikulic, founder of AI in AEC, a global training provider serving architects, engineers, and construction professionals in more than 60 countries. Stjepan will explore the **three key aspects every firm must navigate when implementing AI—the why, the how, and the what.**

You'll also discover powerful AI tools and practical strategies for applying them both individually and across your organization, helping your team work more efficiently, save time, and build the future-ready skillsets our industry needs.
